GUIDELINES FOR SETTING UP SLEEP AREAS

- After check in please store your gear in African Hall.
- Gear retrieval will begin at **9:30 PM** for guests sleeping in the **Aquarium + Swamp**, no earlier.
- Gear retrieval will begin at **9:45 PM** for guests sleeping in **Color of Life + Earthquake**, no earlier.
- Gear set-up will begin at **10:00 PM** for guests sleeping in **African Hall**, no earlier.
- At the appropriate time, your entire group must **turn in your sleep passes** at African Hall to gain admittance and retrieve your gear.
- Proceed to your sleep area to set up your gear. In the interest of fairness and safety for all our guests, please do not send individuals ahead to reserve spaces; we will ask individuals who do so to leave the area and wait for the rest of their group.
- Individuals with mobility issues requiring assistance, please check-in with the Coordinator prior to gear retrieval.
- **Quiet time begins at 10:30 PM.** Please help keep the sleep areas quiet for any guests who may be falling asleep.
- Sleep tight! In the morning please pack up your gear and bring it to the Main Lobby by 7AM and enjoy breakfast at the Café.

SAFETY RULES

For the enjoyment, safety, and security of your group, other guests, staff, and the animals, the following activities are prohibited:

- Running, yelling, climbing or throwing materials of any kind.
- Touching, or attempting to frighten the animals in any manner, including tapping on aquariums or other exhibits.
- Taking anything out of or putting anything into the exhibits.
- Using the tanks, and/or windows as writing surfaces (they scratch easily).
- **No bare feet; shoes or slippers must be worn at all times.**
- Smoking, either in the Academy or GG Park; including the use of smokeless tobacco products.
- Bringing in food or drink, except in connection with dietary restrictions.
- Using cell phones or other electronic devices after lights out, except in the case of an emergency.
